

Patient Charter – BetterLife Bowen Therapy

Our Vision ~ We live in a world where our bodies are under constant stress, and we go about our day with aches and pains. At **BetterLife Bowen Therapy** we aim to alleviate pain and improve health and wellbeing for all our clientele.

Our Values ~ We value our clients at **BetterLife Bowen Therapy** and take a genuine interest in your health. We attend regular professional training to keep our skills and technique up to date and accurate, which gives you the best possible result. Your client records will be kept confidential and never sold or given to a third party without your expressed consent.

Help us to help you ~ Giving us as much information about your health as possible is important as it helps us form the treatment plan for you. We value your feedback, so please always tell us if there's something you like or do not like about our services. Always keep us up to date with any health changes that have occurred as this information is all part of the jigsaw puzzle that makes up our health journey.

Live a BetterLife with Bowen Therapy!
